REPLY IN SUPPORT OF UNITED STATES' MOTION TO DISMISS

Plaintiffs initiated this action by filing a complaint on December 3, 2007. The United States moved to dismiss the above-captioned proceeding on June 9, 2008. Plaintiffs responded to the United States' motion on July 7, 2008. The United States now submits its reply in support of its Motion to Dismiss.

In its Motion to Dismiss, the United States argued that the Court does not have jurisdiction to grant to plaintiffs the relief they seek in their complaint. The plaintiffs do not address any of the jurisdictional bars to relief presented in the United States' motion. Because

they do not establish that the court does have jurisdiction to provide the relief they seek in their complaint, the plaintiffs' complaint must be dismissed.
